

# MY ELEARNING PORTAL: CALENDAR

My eLearning offers centralized access to **Mail** and **Calendars** for all of your eLearning courses. To return to My eLearning after viewing Mail, click on the **My eLearning** Tab.

## Calendar

To access the **Calendar**, click on the indicated icon in the **My eLearning Toolbar**. This opens a calendar with your personal and course events shown. To return to My eLearning after viewing the calendar, click on the **My eLearning** Tab.

From the calendar, you can add personal or course events, change calendar settings (who can add public calendar entries, what entries should be displayed by default, and what symbol should be used for each course). Many of these options are available through **Calendar Settings**.
