1. Once you are in your course within the Blackboard app, locate the link for Blackboard Collaborate. This will look different based on where your instructor put the link. If you are not sure where your instructor put the link, you can find another link in the Tool Panel. Select the link for Collaborate.

2. Select your Collaborate session.
3. Select **Join Room**.

4. Ignore the error that appears. Select the three dots in the bottom-right of your screen.
5. Select **Open in Browser**.
   NOTE: You must have the Blackboard Collaborate app downloaded.

6. Your Blackboard Collaborate app will open. The standard login page for the app should appear. Do not do anything on this page. The Collaborate session will automatically load.
Once you are logged into the session, you will see this homepage.
