ResponseWare turns your mobile device into a clicker. To use your mobile device in class, you must purchase a license code from the SupeStore. Once you’ve purchased your license code from the SupeStore, you will redeem your license and register your ResponseWare account by following the steps listed below.

1. Create your Turning Account
   - Go to https://account.turningtechnologies.com
   - Enter your email address and click create an account.

     ![Create an account](image1)

     ![Sign In](image2)

     ![Verification email](image3)

   - A verification email containing a link to complete your account set up will be sent to your email. Click the link provided in the email to finish the registration process.
• After clicking the link from your email, you will be prompted to **Create Account**. Enter your information and a password in the boxes provided. Be sure to check the box at the bottom of the screen agreeing to the End-User License Agreement and Terms of Use. Click **Finish**. This will complete the account creation process.
2. Redeeming a license and registering a ResponseCard (Clicker):

- To redeem your license code, enter the 8-digit alphanumeric code in the text box under the image of a postcard, to the left of your screen. Click Redeem.
- To connect your Clicker device with your Turning Account, enter your Device ID under the image of the clicker, to the right of your screen. Click Register.
- Click Finish.
3. Linking your ResponseWare account to Blackboard Learn:
   - From the Course Menu of a course that is using TurningTechnologies polling software, locate a sidebar link titled “Register Clickers Here” or “Turning Technologies Registration Tool”.

4. Click either the “Register ResponseWare” link or “if you are using your own personal device” and fill out the form that appears with the account information you used to set up your ResponseWare account.
To use ResponseWare in class, log into a session with your iOS or Android device through the ResponseWare app. To use ResponseWare on an unsupported device or laptop, go to https://responseware.turningtechnologies.com

- Enter the session ID provided by your instructor in the Session ID box.
- Click Join Session.
- Enter your registered email address and password to sign in if prompted.
- Click Join.

Questions will appear on-screen when polling is started.
- **Multiple Choice:**
  - Click the number or letter that corresponds with your answer.
- **Short Answer, Numeric Response, and Essay:**
  - Enter your response in the blank field below the question.
  - Numeric questions accept only numbers, 1 decimal point, and +/- value at the beginning of an answer.
  - Click Send. “Response Received” will display when answer is successfully sent.
- **Multiple Response:**
  - Click the numbers or letters that correspond with your answer choices.
- **Moment to Moment:**
  - Click the number 1 (minimum) to 5 (maximum) that corresponds to your rating of the questions.
  - Results will display only on the presenter screen.

Results for multiple choice/response questions will be displayed after polling is closed.
- Click Question View to view the question.
- Click Chart View to return to the chart.
