Blackboard IM Collaboration

Starting a Whiteboard Session

1. From within Blackboard IM, select the name of the user you wish to call, and right-click to enable the drop down menu.

2. Select Invite to Collaborate by clicking on the command or pressing keys Ctrl+ Alt+C (Command+ Option+ C on MAC OS X)
3. This Collaboration Window will open.

4. On the Collaboration Window, click the Whiteboard Button. This will open the whiteboard window.
