TurningPoint Mobile for Computer

TurningPoint Mobile turns a participant’s computer into a virtual clicker. Participants are able to respond to polling questions using their computer’s Internet connection.

NOTE: To use TurningPoint Mobile in class, students are required to purchase a TurningPoint license from the SupeStore.

1. Go to https://student.turningtechnologies.com and click Sign In.

2. On the next screen, enter your Crimson Mail address into the text field. Click Sign In.
3. In the NetID login screen that appears, enter your myBama credentials and click Submit.

4. Your Turning Technologies student profile will display. Click the Respond tab at the top of the screen to enter the TurningPoint homepage.
5. In the **Session ID** field, enter the 6-digit Session ID provided by your instructor. Click **Join Session**.

![Welcome to TurningPoint](image)

A pop-up dialog will ask you to confirm that your **User ID** matches your myBama username. Click **Join**.

![Participant Information Required](image)

6. When your instructor opens a poll, the question and answer choices will display on your screen. Use your mouse or keyboard to select an answer choice or input a response.
