

Accessing your Collaborate recording in Blackboard Learn

Blackboard Collaborate is the web conferencing tool that has replaced Wimba Live Classroom. This tool is used for online collaboration.

1. **Click** on the Collaborate classroom link in your Blackboard Learn course.

2. This will take you to a screen with a listing of your Scheduled Sessions. Click **Recordings**.

- Recordings will now be in black and you will see a list of the Collaborate recordings in your course. Click the **Title** of the recording to view the recording.
