

## TurningPoint Mobile for Computer

---

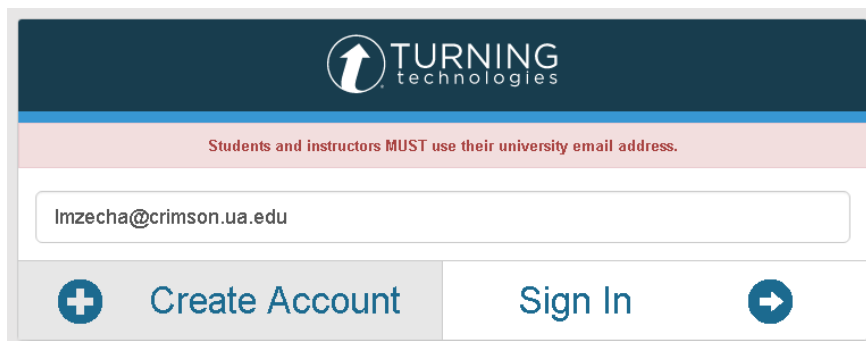

TurningPoint Mobile turns a participant's computer into a virtual clicker. Participants are able to respond to polling questions using their computer's Internet connection.

**NOTE:** To use TurningPoint Mobile in class, students are required to purchase a TurningPoint license from the SupeStore.

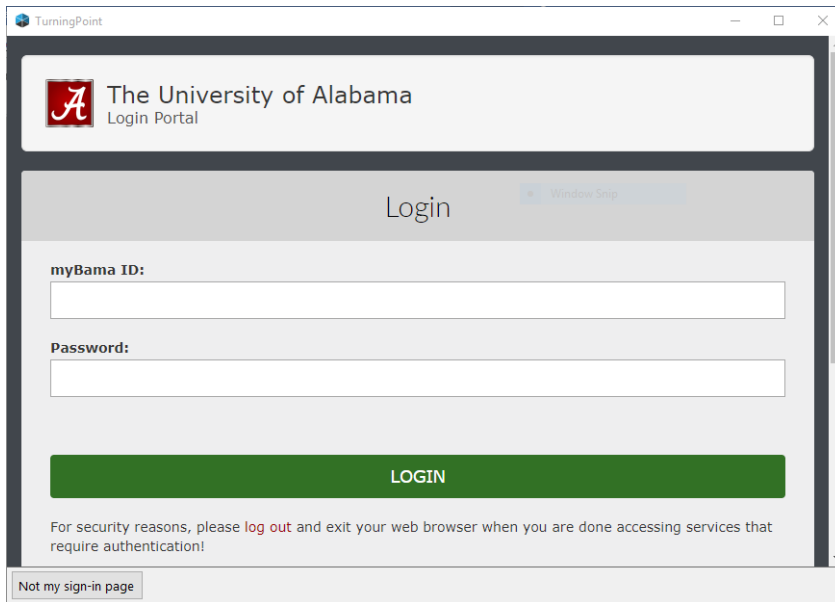

1. Go to [Turning Technologies student login page](#) and click **Sign In**.

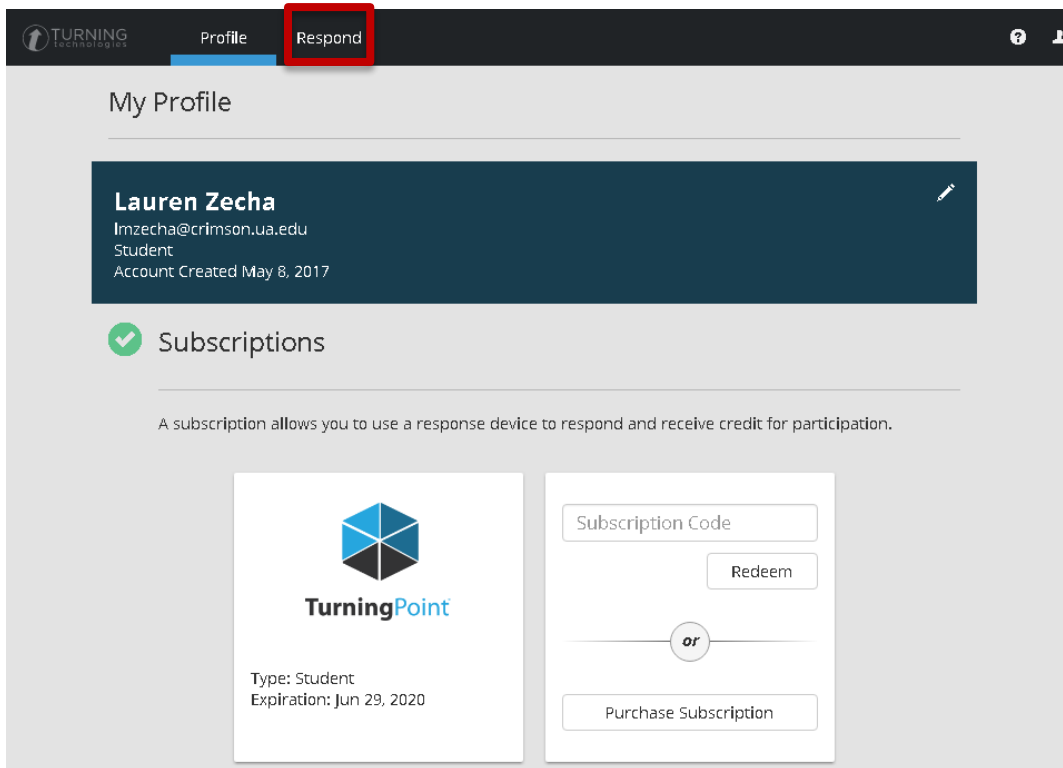

2. On the next screen, enter your Crimson Mail address into the text field. Click **Sign In**.

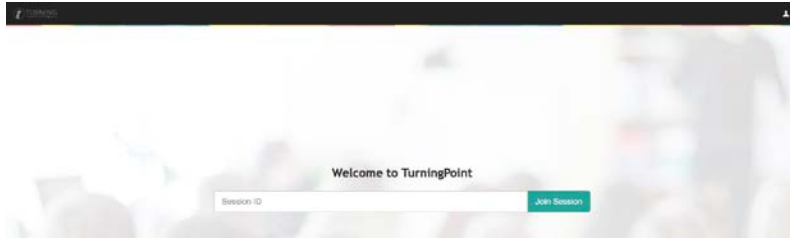

3. In the login portal screen that appears, enter your myBama credentials and click **Login**.

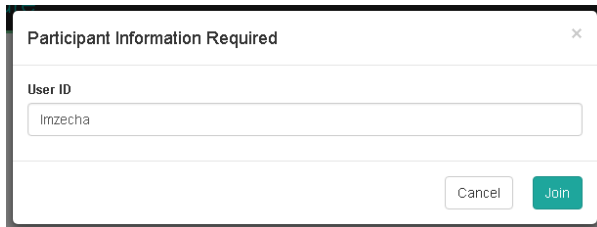

4. Your Turning Technologies student profile will display. Click the **Respond** tab at the top of the screen to enter the TurningPoint homepage.

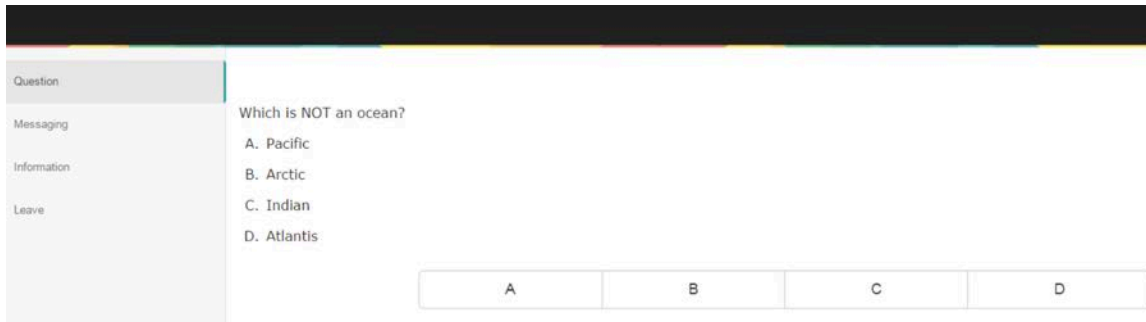

5. In the **Session ID** field, enter the 6-digit Session ID provided by your instructor. Click **Join Session**.

A pop-up dialog will ask you to confirm that your **User ID** matches your myBama username. Click **Join**.

6. When your instructor opens a poll, the question and answer choices will display on your screen. Use your mouse or keyboard to select an answer choice or input a response.
